ABOUT

Make outdoor showering a breeze with the 12 Survivors 5-Gallon Solar Shower. Holding up to 5 gallons of water, the 12 Survivors 5-Gallon Solar Shower can run continuously for eight to ten minutes, allowing multiple showers or rotation between users with an effortless on/off toggle switch. It includes three pockets for soap, shampoo and other hygiene products. The 12 Survivors 5-Gallon Solar Shower comes in a portable mesh carry bag and features a large rubber handle for easy transportation and hanging. The handle connection is double layered to provide maximum support when hanging and extends the life of the solar shower. Place in a sunlit area and monitor the water temperature with the temperature gauge for a warm shower. The 12 Survivors 5-Gallon Solar Shower features a secure twist-cap filling spout, Velcro straps and D-ring tie downs, providing extra ease for setup and use. Whether hiking to a destination camp site or setting up your tent by the lake, the 12 Survivors 5-Gallon Solar Shower is convenient, light-weight and simple to pack.
