ABOUT

Survive the elements with the 12 Survivors Paracord Survival Band. Whether in need of fire, shelter, or food, this compact wristband features 17 essential pieces, all in one convenient set. Weighing only 1.9 ounces, the Paracord Survival Band is perfect to wear comfortably on your wrist or ankle until needed. Featuring a diverse array of fishing necessities including line, weights, swivels, floats and hooks, the Paracord Survival Band helps hikers to obtain a food source if needed.

The wristband's functional design allows disassembly to retrieve 14 feet of Paracord to assist with shelter, or hang bags above the ground to keep from animals. Also included is a fire starting rod, scraper, and tinder for a reliable heat source. Additionally, woven into the 12 Survivors Paracord Bracelet is 21 inches of rubber tubing, perfect for creating a tourniquet to use with the included alcohol pad, or mold into a slingshot.
