ABOUT

Featuring a removable rain fly and two vestibules for gear storage, the 12 Survivors free-standing Shire 6P Tent offers superior protection and convenience to make your next outdoor adventure an experience. Whether used for a relaxing camping trip or survival situation, users will appreciate the 6-person space wide enough to fit an inflatable mattress and sealed seams to keep you dry in precipitation. The rain fly doors are designed to be turned into awnings with the use of trekking poles (not included). The rain fly also features guy lines with tensioners for additional security.
