

Always Better®

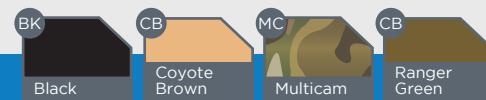

-  Water Resistant
-  Lightweight
-  MOLLE Compatible

The Admin Pouch is a low profile administrative pouch used for everyday items. The main compartment was designed to fit the Rite in the Rain Leader's Notebook. The main compartment also has a mesh divider with three Ten-Speed® elastic slots (two 3" x 4" and one 2" x 4") used for organizing smaller items. There is one drain hole in the bottom center of the pouch (pictured lower left).
