

vudu®

3-9x32 SFP™

Vudu 3-9x32 Kit
with EFLX® + Ring Mount

The super short Vudu® 3-9x32 might be the perfect optic. Built from aircraft-grade aluminum, it's lightweight, durable, and just 6.8" long. This second focal plane scope is fog, water, and shock resistant, with capped turrets and a rotary dial for 10 brightness levels. Powered by a CR2032 battery for up to 300 hours, it features an integrated base compatible with mini-ACOG mounts. EOTECH offers packages that include a ring mount and EFLX® for close-range or moving targets, mountable on top or at a 45-degree offset.
