WARNING: To avoid serious injury: (1) Ensure that ammunition is in good condition, and is used only with correctly chambered and marked modern firearms in good condition. (2) Before use, verify that the barrel is not obstructed. Check the barrel if unusual sound or light recoil occurs during firing. (3) Wear suitable eye and ear protection. (4) If gun fails to fire, unload while avoiding exposure to breech and pointing the muzzle in a safe direction. Always keep the firearm pointed in a safe direction. (5) Handle ammunition with caution and do not drop, as it may fire if the primer is struck. (6) To avoid ricochet, never shoot at hard surfaces or at water. (7) Store in a cool dry place. (8) We disclaim all liability for damage or injury that may result from reloading of components, as these practices are outside of our control.

LEAD WARNING: Discharging firearms in a poorly ventilated area, cleaning firearms, or handling ammunition may result in exposure to lead and other substances known to cause birth defects, reproductive harm, and other serious physical injury. Have adequate ventilation at all times. Wash hands thoroughly after exposure.

WARNING: Keep out of reach of Children.
