DECIBEL

2045

a KERSHAW ORIGINALS design

This sci-fi-inspired knife is very modern and comfortably lightweight. The Decibel's slim, linear design is emphasized by dark matte-gray, titanium-carbo-nitride coating on both blade and handle. This finish is offset by an aluminum pivot collar and backspacer anodized in blue. The Decibel is a fully manual knife, yet can be opened one-handed with the thumb stud.
