CONCIERGE
4020

a DMITRY SINKEVICH design

Designed by Dmitry Sinkevich, the Concierge has a clean, refined look. Part of its refinement is Dmitry’s unique inset pocketclip that rests in a machined-out hollow in the handle—so that it’s flush with the handle scale. This pocketclip treatment also contributes to the knife’s slimmer feel and easy carry.

Single-position
recessed pocketclip
(right, tip-up)

A large image of the Kershaw Concierge 4020 knife. It is shown in two positions: open (left) and closed (right). The knife has a black handle with a textured G10 finish and a silver blade with a carbo-nitride coating. The Kershaw logo is visible on the blade. The pocketclip is recessed into the handle.
