

ANNOUNCED: Q1 2018

METHOD
1170

a JENS ANSØ design

The Method is both rugged and gentlemanly. This smaller, lighter pocketknife is from Kershaw and custom knifemaker Jens Anso. It features a slim blade with a top swedge that adds to its eye appeal, while the G10 handle has an unusual machined pattern that offers good looks and grip security. It even includes Jens' characteristic large lanyard attachment.
