

Thank you for participating in OpticsPlanet's Suppressor Promotion! Please read these Terms and Conditions carefully to understand how this promotion works, including your eligibility and the process for redeeming your coupon code for a suppressor from Backdraft Suppressors by Outlier ("Outlier")

1. Promotion Overview

- When you purchase a qualifying Meprolight Optic from OpticsPlanet during the promotional period, you will receive a coupon code (the "Offer") that can be redeemed with Outlier for a specified suppressor. This promotion is a collaboration between OpticsPlanet, Outlier, and Meprolight, but please note that OpticsPlanet is not selling or providing the suppressor itself.

2. Eligibility

- This Offer is available only to customers who purchase a qualifying Meprolight Optic from OpticsPlanet during the promotional period (dates to be specified by OpticsPlanet).
- You must be a legal resident of the United States and at least 21 years of age at the time of purchase.
- All federal, state, and local laws and regulations regarding the purchase and transfer of firearm components apply. It is your responsibility to ensure compliance with these laws.
- This Offer is void where prohibited or restricted by law.

3. Redemption Process

- Upon purchasing a qualifying Meprolight Optic from OpticsPlanet, you will receive a unique coupon code with your package.
- To redeem the Offer, you must contact Outlier directly through their designated website, phone number, or other provided redemption method and provide the coupon code.
- The Offer is subject to availability and may be limited to suppressor models as determined by Outlier.

4. Outlier Role

- The suppressor is sold and provided exclusively by Outlier, not OpticsPlanet.
- All aspects of the suppressor transaction—including payment, order processing, shipping, and the transfer to your chosen Federal Firearms Licensee (FFL)—are handled solely by Outlier.
- You will be required to arrange for the suppressor to be transferred to a licensed FFL dealer of your choice, in accordance with applicable laws. Outlier will coordinate this process with your selected FFL.

5. OpticsPlanet's Role

- OpticsPlanet is responsible only for selling the Meprolight Optic and providing you with the coupon code as part of this promotion.
 - OpticsPlanet does not sell, ship, or process orders for the suppressor, nor does it handle any aspect of the FFL transfer process.
 - Any questions, issues, or disputes regarding the suppressor (including redemption, shipping, or delivery) should be directed to Outlier.
6. **Payment and Shipping for the Suppressor**
- You are responsible for any payment required by Outlier to redeem the Offer, including the cost of the suppressor (after applying the coupon code), shipping fees, and any applicable FFL transfer fees.
 - The coupon code may reduce the cost of the suppressor but does not cover additional fees or taxes, unless otherwise specified by Outlier.
7. **Limitations and Exclusions**
- This Offer cannot be combined with other promotions, discounts, or offers from OpticsPlanet, Outlier or Meprolight unless explicitly stated.
 - The coupon code is non-transferable, non-exchangeable, and has no cash value.
 - OpticsPlanet reserves the right to modify or terminate this promotion at any time without prior notice, subject to applicable law.
8. **Liability**
- OpticsPlanet is not liable for any issues related to the redemption of the Offer, the quality or condition of the suppressor, or delays or errors in shipping or FFL transfer handled by Outlier.
 - Outlier is solely responsible for the fulfillment of the suppressor portion of this promotion.
9. **Contact Information**
- For questions about your suppressor purchase or the coupon code, contact OpticsPlanet at sales@opticsplanet.com.
