

MEPRO FABS

Self-Illuminated Folding Adjustable Back-up Sights

Introducing our all-metal FABS—tritium-enhanced, self-illuminated front and rear folding adjustable backup sights. Designed for quick deployment, these sights cater to professional shooters utilizing 1.93” optics.

PROVEN ADVANTAGES

- **Durable Construction:** Built to endure the rigors of professional use.
- **Versatile Compatibility:** Compatible with both 1.5” and 1.93” optic heights.
- **Dual Functionality:** Perfect as primary sights or as a reliable backup.
- **Enhanced Low-Light Visibility:** Premium Swiss tritium ensures clarity in low-light and nighttime conditions.
- **Extended Warranty:** Enjoy a 12-year warranty on tritium illumination for added peace of mind.

Equip yourself with the reliability and precision of our FABS — your ultimate solution for any shooting challenge!
