

Fit Chart

10MM/45ACP LARGE FRAME GLOCK OWNER? CHECK OUT THE [20/21!](#)

PLEASE NOTE: P-IX+ is not compatible with ported slides (a.k.a. compensated slides with ported barrels).
If compensated slides with ported barrels are used in the P-IX+, platforms catastrophic failure may occur which may lead to injury.
Only use approved guns listed on the fit chart herein.

Not compatible with mag release for the *FBI and and LE units Generations 1 through 3.*
