

# 2023 3 Primal 3-18x50

## Hunting Riflescope

### Product Description

Riton Optics first-ever CROSSOVER optic will blow your mind. The new 2023 3 Primal 3-18x50 was designed for the Long Range Hunter but this optic gives the best of both worlds and will go the distance for long range shooters as well. Featuring a large 50mm objective, exposed zero stop turrets and the LRH reticle. Equipped with the all new integrated removable two location throw lever with 3 available height levers and blanks.
