- Fully multi-coated optics
- EOTech® and Aimpoint® compatible

INCLUDED

- Flip to side mount
- Adjustment tools
- Manual

Sightmark magnifiers offer versatility by increasing the magnification of accompanying sights for greater range and improved target acquisition. The durable 3x Tactical Magnifier Pro has been redesigned to provide increased eye relief, making it safe and comfortable to use for higher caliber weapons. The rapid flip-mount design makes it fast and easy for shooters to switch between short and long range targets.
