USER MANUAL

# SF-BUFFER-H9

## INTRODUCTION

The SureFire SF-BUFFER-H9 is designed primarily as a solution for fixed-gas, short piston M4 Carbine or equivalent weapon systems with cycling issues when firing. The additional mass of this pre-dominately tungsten buffer allows for better cycling of the carbine when firing either suppressed or unsuppressed. This product can also be used with AR10 and 9mm Carbine type rifles when additional mass is needed for proper cycling of the rifle or carbine.

## KIT CONTENTS

- SF-BUFFER-H9
- User Manual

### WARNING

ALWAYS confirm weapon is unloaded and on SAFE before attempting installation.

## INSTALLATION

1. Open receiver of weapon system by removing the rear take down pin or remove upper receiver completely by additionally removing the front pivot pin located on the lower receiver.
2. Continuously depress the buffer retaining pin just in front of the receiver extension tube.
3. Remove existing buffer and buffer spring either completely from the receiver extension tube or simply enough to remove buffer from buffer spring.
4. Remove existing buffer from buffer spring by pulling straight away from the opening of the coiled spring.
5. Replace with the SureFire SF-BUFFER-H9.
6. Reinsert SureFire SF-BUFFER-H9 and existing buffer spring into the receiver extension tube.
7. Close or replace upper receiver onto lower receiver of weapon system.

## SF-BUFFER-H9 WARRANTY

SureFire warrants that every SF-BUFFER-H9 will be free from defects in workmanship and materials for the lifetime of the original owner. We will repair, replace, or refund your original purchase price of a product if it is determined by SureFire to be defective. This warranty does not cover normal wear and tear, damage to the Buffer resulting in whole or in part from unauthorized repairs, abuse and misuse, or neglect. Repairs to the Buffer made necessary by any of these factors are not covered under this warranty and will be invoiced to the owner, who will be given the right to approve such work before it commences. SureFire assumes no responsibility whatsoever and will honor no claims for damages, regardless of nature, for physical injury or property damage resulting from careless and/or irresponsible handling, adjustments to the Buffer, neglect or abuse.

## DISCLAIMER

The above warranties are exclusive, and to the extent permitted by applicable laws, shall be in lieu of all other warranties, expressed or implied, including, without limitation, any warranty of merchantability or fitness for a particular use or purpose. SureFire disclaims any and all liability for product malfunctions, physical injuries, or property damage that result in whole, or in part, from the criminal, negligent, or improper use of the product: and/or from modifications or alterations thereto. In no event shall SureFire be liable for any incidental, special, or consequential damages relating to the purchase, use, or performance of any SureFire product.

## WARRANTY CLAIMS

For repair or replacement email Technical Support at [technicalsupport@surefire.com](mailto:technicalsupport@surefire.com) or contact Customer Service at 800-828-8809 (toll free) or 714-545-9444 and obtain a Return Merchandise Authorization number (RMA#). An initial request for RMA can also be submitted through the link on [www.surefire.com](http://www.surefire.com). You may be supplied with additional shipping instructions specific to the product being returned. Package the unit carefully and in accordance with all instructions then return to the mailing address provided (no CODs please). SureFire will pay any reasonable shipping costs to return the unit to you. ©2019 SureFire, LLC. All rights reserved.
