

# THERMAREST®

REST BETTER. PLAY BETTER.

## Compressible Pillow Cinch

**This upgraded version of the classic best-selling compact pillow gives your head the comfort it deserves anywhere you go.**

**Cinch cord** tailors the firmness to your ideal comfort level.

Stuffed with **upcycled scrap foam from our sleeping pads**, with a super-soft 60% recycled polyester cover.

**Added insulation layer** eliminates lumps.

**Tip:** Tumble dry on low to restore loft.

### **PILLOW HAS BEEN STORED COMPRESSED**

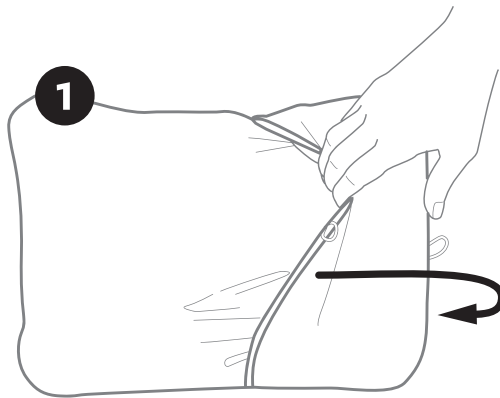

Your pillow has been stored compressed, which can result in decreased loft.

To restore loft, simply shake and fluff pillow. For maximum loft, machine wash (warm/gentle) and tumble dry.

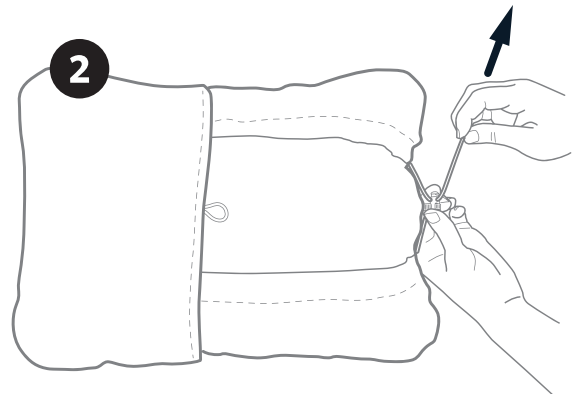

To store, roll pillow toward pocket, tuck in, and attach toggle through cord loop.

**Choking hazard:** not intended for use with children.

Cover sewn in China.

**Flip the pocket to the back.**

**Cinch to desired firmness.**
