Vendor Bulletin

Incorrect Component Shipped — Replacement Available

Date:	April 20, 2026
Issued By:	Volquartsen Firearms, Inc.
Distributor:	OpticsPlanet
Affected Kit:	VC4AK-0006 — Accurizing Kit for the Ruger MK IV Pistol, Gold Flat Trigger
Shipment Received:	April 9, 2026

Summary

Volquartsen Firearms has identified that a shipment of Accurizing Kit VC4AK-0006 (Ruger MK IV, Gold Flat Trigger) delivered to OpticsPlanet on April 9, 2026 contained an incorrect Target Sear. A Target Sear intended for the Ruger MK II / MK III pistol was packaged in place of the correct Target Sear for the Ruger MK IV. All other components in the kit are correct.

Action Required — Please Read Before Installing

Do NOT install the kit until the correct MK IV Target Sear has been received. The MK II / MK III Target Sear is not compatible with the Ruger MK IV pistol and must not be used in this kit.

How to Receive the Correct Part

1. Contact Volquartsen Customer Service using the information below.
2. Provide the kit number (VC4AK-0006) and confirm your shipping address.
3. Volquartsen will ship the correct MK IV Target Sear along with a prepaid return shipping label for the incorrect MK II / MK III Target Sear.
