

STRIKE EAGLE®

1-10x24 FFP RIFLESCOPE

ELEVATOR PITCH

Speed up close. Target-crushing accuracy at range. The Strike Eagle® 1-10x24 FFP riflescope delivers a versatile balance of both for competitive and tactical shooters. Motion-activated illumination powers an advanced reticle the instant you move. Powerful 10x magnification gives you the extra reach to identify and engage distant targets. Lightweight, rugged, and compact, it's a LPVO built to dominate stages, tighten split times, and give you the edge when time isn't on your side.

WHY DID WE MAKE THIS PRODUCT?

The Strike Eagle® 1-10x24 FFP riflescope expands the lineup of Strike Eagle® LPVOs, delivering tactical versatility with a magnification range that balances close-quarters speed and mid-range precision.

WHAT ARE THE TOP USES FOR THIS PRODUCT?

The top use of the Strike Eagle® 1-10x24 FFP riflescope is recreational shooting.
