

Bravado Compatibility Guide for Henry Firearms

Find out if the Bravado is compatible with your Henry firearm model. Please refer to the model codes listed in the table below to confirm compatibility for your specific firearm.

IMPORTANT COMPATIBILITY NOTE: The Bravado stock is **NOT COMPATIBLE** with any Henry rifle equipped with an oversized, D-shaped large loop lever. The stock's grip area will interfere with the lever's movement. To use the Bravado stock, customers **must** replace the large loop with a standard loop lever, which can be acquired from Henry.

Find the Right Bravado for Your Henry Rifle

Once you've confirmed that your Henry model is compatible, you can use our [Bravado Finder Tool](#) to find the exact version you need to buy.
